Dear Parents,

Wow, it's hard to believe that we have less than a month of school left. We have been busy working on special gifts for our mom's and learning songs for Mother's Day Tea. We learned about Vincent Van Gogh and took special note of the beautiful sunflower picture he painted. We then painted our own version of sunflowers. They will be displayed at the Mother's Day Tea.

We have been observing the radishes we planted in the planter box. Hopefully we will get to harvest them before school ends. We have also been observing the sunflower growing in the pot outside our door. We are not sure where the seed come from; perhaps it's a little gift from God to let us know how special we are to Him.

This past Friday was a very fun filled day at school. Thatcher's parents, Dave and Lorraine, made homemade vanilla bean ice cream with us. We each took turns turning the crank. The best part of all was when we got to eat the yummy ice cream. Also, on Friday Aiden F's mom, Veronica, set up for the police dog, Mc Gruff and Officer Pete to come and talk to us about stranger danger. A great big thank you goes out to the Leachman's and Veronica.

Next Wednesday is our Mother's Day Tea at 12:00. Please be on time so you don't miss us singing. The tea will be held in the church sanctuary. The children will need a lunch on this day. We will eat lunch before the tea. Please RSVP to let us know how many guests will be attending.

Please remember to send a light weight jacket or sweater with your child. Our weather has been so crazy lately and unpredictable.

If you haven't yet turned in your parent evaluation, please do so. The evaluations help us to be better teachers, and to know where our strengths and weaknesses are.

Thank you for all your support throughout the year and God Bless all of you.

In Christ,

Miss Lee Ann and Miss Rhonda
