Dear Followers of Christ Jesus:

There is an old hymn—I don't think I have sung it in thirty years. It went something like this:

**Once to every man and nation  
Comes the moment to decide**

The decision is about choosing good or evil, light or darkness, Christ or some other god.

**Now is the time for you to decide**

Decide about your commitment to Cross of Hope's operating budget (usually done through FIESTA ESPERANZA) and decide about your commitment to **Sharing More Hope / Than EVER.**

As **Growing More Hope, Together** comes to an end, we must decide to be more generous than ever to support the high level of ministry at Cross of Hope. And as **Sharing More Hope / Than EVER** begins, everyone at Cross of Hope is called to be a sacrificial giver.

You are encouraged to make a sacrificial commitment to **Sharing More Hope / Than EVER.** Please seek God's direction concerning what God would have you give. We grow spiritually when we trust and obey God.

**Now is the moment to decide**

**Please return your commitment card on Fellowship Sunday, April 27 or Commitment Sunday, May 4.** Please bring it to one of these services or mail it to the church office. Your confidential commitments are turned directly over to Cross of Hope's Financial Secretary, John Lacher. This is a commitment between you and God. We will rejoice together as we celebrate God's victory of faith in **Sharing More Hope / Than EVER.**

Yours in Christ,
