

Reformation Sunday Baptism and Confirmations

Because Jesus makes you free, therefore you will be free indeed. (see John 8:36)

God's word of love set you free into a life of love.

The gift of baptism anchors us in the Divine Love of God for forgiveness, life and salvation. On Reformation Sunday, we experienced this good news through the Baptism of Ethan McCalin and the Affirmation of Baptism of Alex Abeyta, Elise Hielkema, Mia Maldonado, Hunter Streff, and Ethan Wright. By holding these two rites together, we saw clearly the power of God's word to hold, connect and send us into faithful living the reformation life of love. God continue to bless you for this journey!

In Reforming Peace,

Pr. Adam

Cross of Hope School News

The Roving Hoper

As interviewed by: Mary Bresnahan

Thanksgiving is coming. What better way to reflect and celebrate than getting thoughts from children. The Roving Hoper went into Cross of Hope Elementary School and visited with the children asking, "What is your favorite thing about Thanksgiving." Here are their answers.

Kindergarten

"The leaves change colors. We eat turkey."

Laura

1st Grade

"You can eat the turkey. It's my dad's birthday. He's 33."

Milo

3rd Grade

"We go to Grandma's house. I like to see all of my family."

Saylie

4th Grade

"I like the food: turkey, mashed potatoes, and corn. Then sherbet for dessert."

Natalie

5th Grade

"Going to my grandparents in Ohio – near Cincinnati. We watch football – the Bengals."

Mitchell

And so, we hear from the youngest among us. Besides food the number one thing mentioned was being with family.

Enjoy your family. Happy Thanksgiving!

Council Corner

Margie Reed, COH Council President

I find it hard to believe that it is already November. It was just yesterday that we were planting flowers and trying to keep cool. Now we are into the month when it is time to plant crocus, daffodils, and tulips outdoors for the wintry weather to help bring next spring's season.

Personally, I have a tough time accepting the fact that it is dark so early, heavy coats and hats are needed and it's windy and bitter cold with a chance of snow. However, the best part of this time of year is - Thanksgiving. This is my husband's favorite holiday. Family around the table, turkey, stuffing, gravy, enjoyable conversation, time to share why everyone is thankful.

I am thankful for my family and friends but there is another group of people for whom I am especially thankful, and that would be the Cross of Hope Church Council. As president of the Council, I am fortunate to have the opportunity to work with such a talented group of people who bring a wealth of knowledge, great ideas and good judgement to the meetings.

Your Council includes Margie Reed, President, Pat Benchik, Vice President, Janet Conlon, Secretary, Tim Fuller, Kathy Gorman, Sherrie Simek, Kristi Valdez, Pastor Adam Berndt and Todd Bramley, Church Treasurer. We currently have one seat open on the Council due to Sharon Halstead's move to Colorado. If you are interested in becoming a member of our church council, please contact Pastor Adam or Margie Reed.

Our meetings take place on the third Tuesday of the month. The Fife, Drum and Bagpipe group meet on the same evening which makes for an interesting serenade during our meetings.

Some of the motions discussed and approved over the past couple of months include:

- Hired a new Director of Communications
- Hosted a successful Congregational meeting with approval of the 2022-2023 budget
- Elected a new council member Sharon Halstead and Church Treasurer Todd Bramley
- Elected Council leaders for 2022-2023
- Updated and distributed the Employee Manual to all teachers and staff
- Approved Courtney Knutila, Preschool Teacher to the position of Preschool Director
- Celebrated the 40th Anniversary of Cross of Hope

Cross of Hope is the Charter Organization for Boy Scout Troop 126. Our Scout Ministry expanded this summer when we welcomed Girl Scout Troop 10624 and provided a meeting place for them. In addition, we approved the request by Cub Scout Pack 12 to be their Chartered Organization.

If you have any questions about the Council, what we are working on or something you think needs to be discussed please do not hesitate to contact one of the members. If you would like to read about our meetings, minutes are posted on the bulletin board outside the office.

“There is something here also for seasoned men and women, still a thing or two for the experienced to learn – fresh wisdom to probe and penetrate, the rhymes and reasons of wise men and women start with God.” Proverbs 1:5-7

HAPPY THANKSGIVING TO YOU AND YOUR LOVED ONES!

The School Library Nook

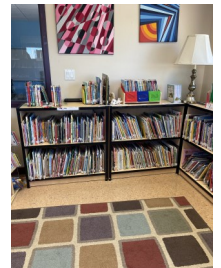

I can't think of anything more comforting than a good book and a comfy a nook where I can let myself enter that wonderful world of the story. This is what I want the school library to be – a place to find a good book and a space to enjoy. We had such a great Scholastic Book Fair!!! Thank you Nancy Lacher and all the volunteers. \$2000 was our lofty goal, but sales totaled \$4000. Whew! Thank you to all who purchased books. With that accomplishment we now have \$1700 to divide among the classrooms and the library for new books. What a gift! There are so many good books in the library. I challenged the older students to read a "classic" book. For example, The Three Musketeers, Anne of Green Gables, Oliver Twist and many more. They seem to enjoy them once they start. In addition to all the new books, I've rearranged the library again. It seems roomier with the books on the outside walls. Please come and check it out.

I've also made room for adult books. There are many books those in Bible Study might enjoy. We also have an entire shelf of Luther books. The bottom shelf is filled with classic commentaries by William Barclay, a very popular biblical scholar from the 1960's.. Oldies but goodies.

It is a joy to be the librarian for the school. I love children and books – how much better does it get than that! Thank you too for opening and supporting the library. Libraries are essential.

Blessings,
Ms. Pat, the library lady, (Pr. Pat Mohr-Kelly)

"It is an awfully sad misconception that librarians simply check books in and out. The library is the heart of a school, and without a librarian, it is but an empty shell."

The Adams Family

As interviewed by: Mary Bresnahan

Laurie

- Birthdate:** December 17, 1976
- Birthplace:** Phoenix, AZ
- Occupation:** Teacher/Learning Specialist
- Hobbies:** Sewing, exploring nature with the kids, photography
- Children:** Rowynn, (December 13, 2002), Carly (January 4, 2005), Jericho (December 16, 2008), Violet (June 10, 2016)
- Marriage:** August 8 1998 at Cross of Hope

Jason

- Birthdate:** December 27, 1974
- Birthplace:** Albuquerque, NM
- Occupation:** Terminal Manager for Central
- Hobbies:** Basketball: particularly NBA Golden State Warriors, baseball: New York Yankees, Lobo games, chasing after kids.

Did you ever meet a family that almost has a lock on birthdays in December? That would be the Adams family. Note they intentionally chose a different month for their wedding!

Laurie moved from Phoenix to Albuquerque when she was four years old. Interestingly her new neighbor was Dene Perkins (that wasn't her name then), a fellow Cross of Hoper. They have been friends ever since. Laurie has three brothers – two live here and one in Utah. She attended UNM receiving a B.S. in Education and an M.A. in Elementary Education. She started attending Cross of Hope in 1995 when her family moved to the Westside. Her parents attend COH as well.

Jason is an Albuquerque native. He has a brother and a sister, both live very close by. He attended UNM receiving a B.A. in Criminology with a minor in Political Science. Jason proudly carries a "pocket diploma." UNM gave them out for a few years. In all my years of interviewing I have never seen such a thing! Yes, folks are always asked if they have a degree but no one ever asks to see it. (Of course, there are other ways to verify that!)

Jason started his career working inside a bank vault counting money. From there he got to experience the public when he went to work for Hertz. Next came Intel where he was involved with inventory and logistics. He traveled quite a bit keeping track of inventory at different locations. When the contract ended it was a good thing since there were additional children and he needed to be at home more. His next employer was Shamrock Foods and then back to

Adams continued from page 11

Hertz. He finally ended up at Central Transport coordinating moves across the country. If you have a logistics question, Jason is your person.

In the meantime, Laurie was holding down the home fort. She taught in Rio Rancho from 1999 to 2007. When the girls were small, she ran a daycare for two years. She spent one year teaching at Cross of Hope and then went back to Rio Rancho from 2009 to 2021. Last year she started at Explore Academy, a local charter school. Conveniently, all the children are attending school there, except Rowynn. That has made for some interesting stories. Once, Violet went into Laurie's office and fell asleep. Nobody knew she was there. The scary part was when the siren went off for a fire drill. That really scared Violet. Another story was when Jericho jumped off the slide and broke his arm. He went to his mom's office and went to sleep under her desk. In his words, he thought he could sleep it off. Laurie now knows to look under her desk. You never know who might show up!

Both Jericho and Violet are adopted. They are biological brother and sister. They are Jason's cousin's grandchildren. Jericho was in CYFD custody for about four months. Jason got a call from his mother advising him of the situation but not thinking Jericho would be taken from his home. The next call came nine months later. CYFD's first option is to try and reunite the child with its mother. The second is a family member. Jason and Laurie went through a lot of paperwork, including some training. Finally, Jericho came to them as a "foster child." Going through "all the hoops" took from March 1 to July 19, 2010. Finally, they could adopt him. They went through the court in Roswell since it wasn't as stacked up with cases as Bernalillo and would be faster. Then Violet came along. They received a phone call from her mother. They had one week to prepare for her arrival. Every day during that week, people brought what they needed. (Definitely an example of God showing up!) They had to go through the same paperwork but the process was very smooth. Violet arrived in January 2020. Things took longer for her adoption to be finalized because of COVID. On March 26, 2021, everything became legal. Rich Neely, another member of Cross of Hope and family lawyer, helped with the legal items, and the adoption was held via Zoom. Laurie has had a nice relationship with Jericho and Violet's mother. Rowynn and Carly were happy to have new siblings.

Jason and Laurie grew up living one mile away from each other. They both went to Manzano High School and were in Student Council. They were a couple years apart but never met. They both went to UNM and still never met. Finally, they were in the same class. They each had a friend, and the friends knew each other. While the friends were chatting they introduced Jason and Laurie. Jason had to ask Laurie many times for a date before she finally agreed. I guess we can say the rest is history. Next year they will celebrate their 25th wedding anniversary.

Now time for the children's interests:

- **Rowynn** is a sophomore at UNM studying paramedicine. Rowan has gotten EMT certification and wants to be a paramedic in a national park. They play the cello and guitar. Rowan is artistic and loves various crafts (knitting, crocheting, cross stitch, and sewing. Having watched Rowynn here at church, they are definitely a natural leader. Currently Rowynn is active at Luther House on the UNM campus.
- **Carly** is going to be a Senior in high school. She works with fiber arts – she wraps herself in a long piece of silk and does acrobatics with it. She is in the Rio Rancho Youth Choir. She also draws, creates murals, reads and is the president of the National Honor Society. She works at "Icicles" which is an ice cream shop near Cottonwood. There are two other Cross of Hope girls

Adams continued from page 12

who work there too.

- **Jericho** is in 8th grade. He LOVES bicycles. He goes around and finds bicycles that have been thrown out. He brings them home and repairs them. If he has to buy a part, he will sell the bike to make a little money and recoup what he spent. Otherwise, he may give the bike away to someone who needs one.. He sees himself working in a bike shop someday. (He is such an entrepreneur he might own one someday.) He loves the two family dogs: Valentine, (a basset hound) and Indigo (a bull dog). He says they follow him everywhere. Indigo likes him because he feeds him. However, Valentine gets fed by Jason in the middle of the night when he wakes him up.
- **Violet** is excited about entering first grade this year. She likes going to school, especially since her mother is there too. She spends her down time chasing after her brother Jericho and her cousin James. She enjoys singing, riding bikes, swimming, and nature (especially mud).

Make sure you ask to see Jason’s “pocket diploma.” He has been waiting for this since 1997!

November Book Suggestions

Recommended by Dee Gutierrez

Praying our Goodbyes - Joyce Rupp

This book may help anyone who has experienced loss, whether a job change, the end of a relationship, the death of a loved one, a financial struggle, a mid-life crisis, or an extended illness. Learn to reflect, ritualize, and re-orient yourself– to heal the hurts caused by goodbyes and the anxieties encountered when one season of life ends and another begins.

Magnificent Grace: Savoring the Greatness of God– Margaret Feinberg

In a world that often stressed perfection, God's grace gives us the strength to face our imperfections and faults. God's provision is far greater than our lack. This study will help empower you to understand God's Grace.

The Ragamuffin Gospel– Brennan Manning

God gives us His grace, willingly, no matter what we've done. We come to Him as ragamuffins–dirty, bedraggled, and beat-up. And when we sit at His feet, He smiles upon us, the chosen objects of His "furious love". This meditation will help you to understand His Grace.
