August 2024, Volume 42 Issue 8

Mission Statement

Cross of Hope is a Spirit-centered community that shares in Christ's love through worship, education and outreach to develop and strengthen relationships with God.

Welcome Back to School!

What a joy it is to be entrusted with the opportunity to love on teachers, students, families, and community as the Director of School Ministry here at Cross of Hope. Thank you for all the grace and love that was poured out last year. I learned so much and am excited to continue growing this year.

Teachers are preparing for our school year with professional development, safety training, and **anchoring in Jesus with a focus on being created to love and serve others**. This will be the heart of each and every classroom. **1st-5th grade students will return August 12, and our Kindergarten and preschool students will begin August 14.** We are so excited!

This year we are looking forward to:

- Welcoming 7 new staff members!
- Welcoming 17 new families into our community!
- Continuing our journey of accreditation in preschool with ASCI
- Beginning a journey of accreditation in our elementary school with COGNIA
- Adding a Music class
- Adding a math interventionist
- New curriculum for literacy in 3rd-5th grade
- New curriculum for Christian Studies in our Elementary school
- New curriculum for SEL, strengthening our social thinking skills
- And, continuing our community service projects to carry out the mission of loving our neighbors as well.

We would love to partner with you. Are you looking for a place to serve? Do you have items to donate? We also would love to have volunteers in our classrooms. Please know both are wanted and needed as we build a strong community with our church and our school.

Please feel free to contact me with any questions or ideas you may have. My door is always open! I look forward to serving alongside each and every one of you!

Blessings,

Susan F. Rivera

WHAT? No, you are not reading the wrong article. No, the picture did not get posted in the wrong place. **THIS IS COUNCIL CORNER** but because I am the author, I'm taking a little liberty, a bit of leeway so I hope you indulge me with grace.

CREATED TO BE Created to be loved - Doesn't this picture speak 1000 words? This picture truly captures to be loved AND to love. It is filled to the brim with laughter and delight, ENJOY

Created to be present - Finding God's presence in Special Needs VBS. Take a look at the pictures on FB. God is everywhere!

Created to be ME - I am a child of God, wonderfully and fearfully made. I am weird, a bit odd, compassionate, loving and a little bossy. (Ok, there are some that would say a lot bossy!)

Created to be a disciple - I am both free and a dutifully bound servant to all, sharing God's amazing love and grace. God dwells in me, and I am part of the story of God to create change in the world.

OK, now that I have your attention, lets talk Council news! Thank you for your grace and indulgence.

Family Promise August 4-11, 2024

For I was hungry and you gave me food, I was thirsty and you gave me drink: I was a stranger and you took me in. Matthew 25:35

The mission of Family Promise of Albuquerque (FPA) is to help families who are homeless in the Albuquerque community to achieve sustainable independence. FPA works with family's who are homeless, near homeless or recently exiting homelessness by providing shelter, intensive case management, job search assistance, life skills classes, and supportive services. Our goal is to build a community of support as we empower each family to overcome any barriers they may have to employment or housing.

Cross of Hope is full of such good and faithful servants of the Lord! Supportive prayers are gratefully accepted for the three adults, four teens and three children in the Program. Together, we make a difference to the future of these seven children and stability for the adults doing the hard work toward independent living.

We have hosts, volunteers to provide nightly meals, food for breakfasts. Any subsequent needs will be fulfilled with the monetary donations you offer to the mission of [Family Promise of Albuquerque](#).

If you are delivering food items, they need to be at the Church by 11:30 am on Sunday, August 4. We provide the food for the lunch items that day.

Please call me for any questions or concerns (505 362 3663)

Sincerely,
Jan Anderson

Rainbow Trail Lutheran Camp

Jesus went out to the mountain to pray; and he spent the night in prayer to God. Luke 6:12

This summer eight of our youth spent time 'up the mountain' in prayer, song, fellowship and fun, learning and growing in life and faith with our partners in ministry at Rainbow Trail Lutheran Camp. As is our custom, I spent a week with our middle school youth at Confirmation Camp and the pictures here tell of our wonderful week! Stay tuned this fall for preparations for next summer and ways to support this foundational ministry

Susan Rivera

By Mary Bresnahan

Birthdate: Dec. 11, 1963

Married: Tomas Rivera (divorced)

Children: Jake (35), Aaron (33)

Occupation: Educator

Birthplace: San Bernadino, CA

When: Sept. 1986

Grandchildren: 4 – Josiah (6), Mercy (4), Asher (2), Eden (6 months)

Hobbies: Grandkids, hiking, pigs, reading books, musical theater, games

Susan was born to Oscar and Shirley Gonzalez. Her dad immigrated to the U.S. from Mexico at the age of 12. He became a probation officer in San Bernardino, CA and held that job for 42 years. Susan's mother worked at the VA hospital in a variety of positions. Her parents were staunch Catholics and provided Susan with a firm faith foundation. Susan has one sister, Virg, who is older and lives in Sacramento, CA.

Susan was always close to her grandparents. One set lived next door to the family. The joy that this provided gave Susan the desire to have a similar relationship with her grandchildren.

When Susan was a junior in high school, she was awarded an Interact scholarship through Rotary. This was back in 1981 and the "Rotary Life Scholar" program had just started. (Interesting how things of the past come back into your life in some way. I told Susan it was Rotary who gave the first individual computers to the school.) She went to Japan for five weeks. Susan went on to college at California State University (Cal State) to study Business Administration. She floundered for two years and decided to quit.

She met her husband, Tomas Rivera, and married in September 1986. Tomas was in the Air Force and they relocated to Denver, CO in 1987. He was a "Ports of Call" Flight Engineer, (a person who consults with the ship's captain during the docking or undocking when entering or departing a confined waterway). He was working on his commercial pilot's license.

Susan's son Jacob was born in Nov. 1988 and Aaron arrived in Apr. 1991. During this time Susan was a stay-at-home mom. She home schooled her boys. Susan and Tomas divorced in June of 1995.

Susan continued from page 7

Susan decided to go back to school attending the University of Northern Colorado. She graduated Suma cum Laude in December 1999 (on her birthday – what a gift!) with a BA in Human Communication, and a license in Elementary Education. She said walking for graduation “was such a joy.”

In August 2000, Susan started teaching for the Aurora Public Schools in K – 5 grades. Second grade was her favorite. She found she really loved teaching. COVID hit in 2020! Online school was not for her. Out of 29 children, 12 showed up.

Her son Jake announced he and his family were moving to Albuquerque. He was a campus minister for “Navigators” (a ministry that shares the gospel of Jesus and helps people grow their relationship with Him through “Life to Life® discipleship.”) in Greeley CO and was reassigned to UNM. She “tagged along” because of the grandma role she wanted to create. Jake has been very supportive and told her, “You can do anything. God will equip you to do it.”

She attended New City Church which had an in-service worship. A lady introduced herself and said her daughter was trying to do online learning with her children and was struggling. They asked Susan to be a nanny to the children and help with the learning. What a blessing that turned out to be. They included her in their family. Additionally, she became a member of Albuquerque Newcomers Club. She met some like-minded women she could go hiking with.

At the end of the year, the children were going back to in-person school and Susan returned to the question of what to do. At the time, Susan lived in the apartments around the corner from Cross of Hope. She would take walks at Mariposa Park and noticed a sign looking for teachers. (I heard a similar story from Linda Willoughby. I think we should always put signs up in those apartments.) The timing couldn’t have been better. Susan became our kindergarten teacher and realized she was meant to teach. She never knew teaching could be so wonderful. Nothing is as amazing as being here at Cross of Hope.

When Debra Alba (our former Director of School Ministry) resigned Nancy Lacher asked if Susan had given any thought to taking Debra’s place. Of course, Susan’s first reaction was “no!” She then talked to her son, Jake, who gives her wise counsel. He told her, “Mom, you have had many assignments in your life, but this is your calling.” Three years had passed since her move to Albuquerque, and she had multiple jobs to make ends meet. She tutored with Tutor Doctor and had been involved in “Apartment Life Ministry” whose purpose was to “radically transform apartment living by making Christ known.” (Their website states they help apartment owners care for the residents by connecting them in meaningful relationships.) She was the Community Coordinator, which meant she would organize events for the apartment community twice a month and love on residents. There she met some wonderful people but knew if she became the school Director, she could no longer do both jobs.

Susan accepted the Director’s position and resigned her other job. She finally found a cute little farmhouse and moved to Corrales in March 2024. She enjoys being close to the Bosque where

Susan continued from page 8

she can walk and enjoy the quiet of nature. Susan describes this transition as going from “super busy” to truly be the MeMa” (grandma) she wants to be. She “finds peace which will overflow into service for others.” She feels she has the “opportunity to make an impact – I can truly represent Christ and love from a place of peace and not work. This is where God wants me to be.” She has “learned a lot in the last year and is excited to continue learning and see how God will use me in this role. I now have the opportunity to live a generous life.”

Susan’s son Jake is now the Youth Pastor at New City Church, where both she and her family attend. He graciously allows Susan to spend as much time with his four children as she wants, which is as often as she can! Not to have forgotten Aaron, he lives and works in Colorado as a lead floor manager with California Closets. Aaron studied Linguistics, translates in Japanese, and hopes to return to school to get his master’s degree - maybe even a doctorate in Linguistics. He is a fabulous dad to his three “fur babies,” sings with the Colorado Choir and loves musicals (Manga), and playing video games. Since Aaron is not married and has no children the decision to move to Albuquerque with Jake and his family was easy.

You can tell that Susan is having a good time and is enjoying life. She spreads her joy throughout our school. If you happen to be around when school is in session, take a moment to meet Susan and experience how she is working to make Cross of Hope School a happy place for children to be and grow. Cross of Hope is thankful for your energy, thoughtfulness and joy.
